

# “Make My House a Home”

## HOW TO RECEIVE YOUR FREE SENSOR HOUSEWARMING GIFT

Thank you for purchasing a Caséta Starter Kit for your home! We know you're going to enjoy the added peace of mind and convenience you'll get from smart lighting control.

For ideas on how to use and/or set up your Caséta system, visit [casetawireless.com](http://casetawireless.com). Be sure to check out the “Getting Started Advisor” section for tips and tricks.

**In order to receive your free sensor housewarming gift, please complete these steps:**

1. Take a picture of your receipt and circle the purchase price of the qualifying Starter Kit(s)\* and date (7/01/17-10/31/17). Offer good on a maximum of 2 Starter Kits.
2. Email the photo to [lutronpromo@dataworksintl.com](mailto:lutronpromo@dataworksintl.com) and put “Lutron Free Sensor” in the subject line.
3. Please include your name, complete address, and email address (so we can provide tracking information as well as mail you the sensor).

**\*Qualifying Starter Kits:**

- Dimmer Kit with Smart Bridge for wall & ceiling lights (model: P-BDG-PDG1W)
- Smart Lighting Control Dimmer Kit for table & floor lamps (model: P-BDG-PKG1P)
- Deluxe Smart Lighting Control Starter Kit (model: P-BDG-PKG2W)
